and this review helpful','recommend': True,'review': "For a simple (it's actually not all that simple but it can be!) truck driving Simulator, it is quite a fun and relax

ing game. Playing on simple (or easy?) its just the basic WASD keys for driving but (if you want) the game can be much harder and realistic with having to man

usually change gears, much harder turning, etc. And reversing in this game is a ♥♥♥♥♥, as
